## **DETAILED ACTION**

### ***Allowable Subject Matter***

1. Claims 4 and 11-18 are allowed.
2. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or fairly suggest the device of claim 4, in particular the additional limitation that the first and second parts of the holder are connected by a flexible connecting part that attaches to the first and second parts and is formed to be thinner than the first and second parts, in combination with the other claimed features of the display device. Claim 4 is therefore allowed, as are claims 11-18 which depend on claim 4.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
